Pete Sanchez DREW Jose Estrada (The match began fast and furious. Sanchez flung Estrada a couple of times, and then went to work on Estrada's left arm. Estrada after a while, got the upper hand and gave Sanchez a taste of his own medicine. Estrada tried to pin Sanchez on two different occasions, but each time, Pete was able to kick out. Towards the end of the match, Sanchez went to work on Estrada's stomach area, by giving him several chops The time limit then expired, and the match was ruled a draw. After the bell rang to signal the end of the match, Estrada and Sanchez went at it like lions, because they were not satisfied with the draw decision.)

Special Delivery Jones W. Johnny Rodz (The beginning of the match started off with Rodz trying a Boxing maneuver on Jones, but it did not work. Rodz then kicked Jones in the stomach, and Jones fell to the mat floor. Rodz tried to pin Jones, but he kicked out. Jones finally got the upper hand by Head-Butting Rodz. At this point, Rodz was standing in the middle of the ring, dazed. Jones seeing that his opponent was dazed, Drop Kicked him. Rodz then fell to the mat floor. Jones then hooked Johnny's leg for a pinning combination. After the match ended, Rodz was dissatisfied with the decision and attacked Jones from behind. Jones became angry and beserk with Rodz, by throwing him out of the ring. Rodz then left the ring area in total disgust Jones was still standing in the ring, the proud victor.)

Salvatore Bellomo W. Baron Scicluna (Both athletes at the beginning of this match went at it fast and furious. Salvatore finally got the upper hand, by showing Scicluna who was boss. The finale came, when Salvatore threw Scicl in the ring post, head first. Scicluna, then, fell to the mat floor. Salvatore, then, rolled over Scicluna and then went for a pinning combination, by hooking his leg.)

Pedro Morales W. Mr. Saito (Mr. Saito and Morales went at it fiercely. Both men traded various holds. After a while, Saito started to fight dirty. Morales got annoyed with Saito, and showed him who was the boss, by Drop Kicking him, and flinging him from one end of the ring to the other. The finale came, when Saito tried to knock Morales to the mat floor, but Morales instead, jumped over Saito, on to the outside ring apron. Morales, then, turned around and punched Saito. Saito, then, fell to the mat floor, and Morales jumped over the ropes on top of Saito, and then, went for a pinning combination.)

Ray Stevens W. Tony Garea (Garea started things off by putting Stevens in a Head-Lock. After Stevens broke free, he attacked Garea. His onslaught didn' last long. Garea bounced back and really did a job on Stevens, by Drop kicking him several times. The finale came, when Garea tried to ram Stevens into the ring post, but Stevens, instead, caught Garea, and rammed his head into the ring post. Garea then fell to the mat floor. Stevens then picked Garea up and gave him his famous Pile-Driver. Garea at this point, lay flat on the mat floor. Stevens seeing this, wasted no time, and went for a pinning combination.)

Jimmy Snuka W. Mr. Fuji (Snuka first Head-Butted Fuji, and then Drop-Kicked him. Fuji, then, started to get the upper hand by giving Snuka a good going over. Fuji tried to pin Snuka, but Snuka kicked out. Snuka, then, got up and went nuts by using every trick he could think of, on Fuji. The finale came, when Snuka Drop Kicked Fuji. Fuji then fell to the mat floor. Snuka at this point could very easily have pinned his opponent, but did not. Snuka, instead, decided to hurt him a little more. Snuka, then, climbed to the top rope and used his famous Superfly Dive on Fuji. He then went for a pinning combination. Snuka's win in this match, made the fans cheer wildly. During the match, Fuji looked good, but Snuka looked sensational.)

Then, the bell rang, to interupt the count, and signal, that the match went to the full time limit, resulting in a draw decision.)

Special Delivery Jones W. Swede Hanson -DQ. (Hanson was disqualified, by the referee, for stepping on Jones' throat. All of this was happening, when Jones was hanging upside down, in the corner turnbuckle area. Jones, of course, was declared the winner, because of Hanson's foul tactics.)

Tiger Mask W. Jose Estrada (By pin, with a Dynamic Flying Cross Body Block Press. Estrada Was good in this battle, but Tiger was great.)

Little Beaver & Sunny Boy Blue
W.
Sky Low Low & Butch Cassidy

(FIRST FALL- Beaver pinned Low Low, after a Giant Body Slam.)
(SECOND FALL- Beaver pinned Cassidy, after some wild action.)

Bob Backlund DREW-D.DQ. Billy Graham (In this classic confrontation, both grapplers fought a real brawl. Graham used his deadly Karate Thrust to subdue Backlund, and Bob used his tremendous over the knee Spine-Crusher to down Billy. Neither move finished off either combatant. The finale came, when first, Billy floored the referee, to the mat, on purpose. From this blow, the referee was stunned. Then, soon after, Billy was out of the ring, on the ringside floor, pulling Bob out of the ring. Seeing this, the referee tried to keep Bob from being pulled out of the squared circle. Bob struck the referee, by error, stunning the offical. Both grapplers fought on the ringside floor. Then, the referee, still dazzed, and trying to regain his composure, called for the bell. He, then, disqualified both wrestlers, for their out-of-control conduct, abusing him. Both Graham and Backlund fought all the way back to the dressing room area. This was a tough bout, and well fought by both mat men. Backlund and Graham, indeed, hate each other's guts.)

Salvatore Bellomo W. Mr. Fuji -DQ. (Fuji was disqualified, for punching Bellomo out, and refusing to listen to the referee's warning. All this action was going on, when Fuji was on the outside ring apron, and Bellomo was in the ring. Both men were on the ropes. Bellomo was very happy, that he won this bout.)

Pedro Morales W. Buddy Rose (By pin, with a Double Leg Cradle/Sunset Flip. Both grapplers fought hard and fast, in this rough struggle.)

Jimmy Snuka W. Lou Albano -T.K.O. (Snuka completely tore Albano apart, in this wild fracas. Snuka bloodied Albano's forehead, by hitting him, with a barrage of Karate thrusts. Jimmy, also, Head-Butted Lou, a couple of times, and bit his forehead. Albano was, indeed, a bloody mess. Lou took a tremendous beating, at the hands of the savage Snuka. Albano was in the ring, to the suprise of the fans, for the whole match. It could be said, now, that Lou took his punishment like a "Tough Wrestler", and not a "Wrestling Coward". This match was stopped on a Technical Knock Out (T.K.O.), by the referee, for Albano's bloody condition. Lou could have really continued, but the referee had some compassion, and stopped this massacre. Snuka was very proud that he destroyed his former manager, on this occasion. Snuka entered, and left the ring, with his manager, "Nature Boy" Buddy Rogers. Rogers was sitting in Jimmy's corner, for the entire match. Rogers, indeed, was very pleased, at what Jimmy did to Lou. Both Snuka and Rogers left the ring area, to the sound of the cheering fans.)

Ray Stevens W. Jay Strongbow. (By pin, after a tremendous Pile-Driver. Stevens gave Jay, a good beating, from start to finish. Jay was carried out of the ring, and back to the dressing room, on a stretcher. Stevens, indeed, was delighted at what he did to The Indian.)

Curt Hennig DREW Eddie Gilbert (This match started off with Gilbert putting a Head-Lock on Hennig. Curt tried to get out of the hold, but Eddie kept tightening his grip on him. After a while, Eddie let go, and then, Body Slammed him. Gilbert, then, appilied another Head-Lock on Hennig. Curt finally broke free and started to get the upper hand. Hennig Drop Kicked him and then Body Slammed him. After the Body Slam, Eddie fell out of the ring, on to the arena floor. Eddie finally made it back into the ring, only to have Curt inflict more punishment. Curt flung Eddie from one end of the ring to the other. As Eddie came off the ropes, Curt gave him a chop to the upper chest area. Eddie then fell to the mat floor. Curt seeing his opponent down, Elbow Smashed him. At this point, Hennig could have easily pinned Gilbert, but the bell rang, to signal the end of the match. The referee, then declared this match, a time limit draw.)

Swede Hanson W. Pete Sanchez (Hanson opened the match by putting Sanchez in a Head-Lock. Sanchez, finally, broke free, and Body Slammed Hanson. Swede fell to the mat floor, and Pete jumped on him. Sanchez, then tried to pin him, but Swede was able to kick out. Sanchez then applied a Head-Lock on Swede. During the rest of the match, they traded various holds. The end of the match came, when Sanchez rammed Hanson's head into the ring post. Hanson, then fell backwards, and at the same time, took Sanchez down with him. Swede then turned over, on top of Sanchez and pinned him.)

Pedro Morales W. Buddy Rose (This match started off, fast and furious, with Morales Body Slamming Rose. Rose Finally, got the upper hand by throwing Morales out of the ring, on to the arena floor. When Morales made it back to the ring, Buddy dished out more punishment. Rose gave Morales a Pile-Driver, and then tried to pin him, but Morales was able to kick out. As Morales was getting up and gainning his composure, Buddy Body Slammed him, sending him once again out of the ring, on to the arena floor. Rose then left the ring, and rammed Morales' head into the offical's table. Morales, finally made it back into the ring, and went berserk on Rose, by giving him a taste of his own medicine. The finale came, when Morales pinned Rose, after a Sunset Flip off the top ring rope.)

Juan Cotto W. Frankie Williams (This match started off, with non-stop action. During the match, each athlete used various holds. The finale came, when Cotto pinned Williams, with a Small Package.)

Tiger Mask W. Mr. Fuji -DQ. (Tiger ruled the match from the beginning to the end. During the match, Tiger Body Slammed Fuji, and gave him a couple of Flying Drop Kicks. During the match, Fuji was standing in the middle of the ring, and it looked like Tiger was going to ram into him, but instead, leaped right over him. The veteran, Fuji, for the most part, during this match, could do nothing to stop his young opponent. Fuji finally started to get dirty, by throwing salt at Tiger's face, but it missed him. The referee, seeing this, automatically disqualified Fuji, for this infraction of the rules, thus, making Tiger the winner. During this match, Tiger looked sensational and showed the veteran Fuji, what wrestling is really all about.)

Rocky Johnson W. Mr. Saito (This match had a lot of action. Rocky started things off, by Body Slamming Saito. Saito, during the match, fought with his usual dirty tactics. Finally, Johnson got annoyed with his opponent, and used every trick he could think of. The finale came, when Rocky Drop Kicked Saito, four times. Johnson, then seeing Saito laying flat on the mat floor, wasted no time, and went for a pinning combination.)
